

GRIZZLY

SUPPLIES

SEAL IT, MOVE IT

Introducing Molded Products from GRIZZLY

- Rubber Gaskets
- Snubbers & Bumpers
- Biomedical Parts
- Boots & Covers
- Bushings
- Strips & Spacers
- Seals for Bottling & Canning Lines for the Beverage Industry

Moving You Forward Since **1998**

We provide **Molded Products** made from a variety of elastomer such as: NBR, HNBR, EPDM, silicon and other custom rubber blends.

We can:

- make all our compression molds and dies in-house thus reducing tooling costs
- produce small and large batches
- supply food grade materials
- produce a variety of materials capable of performing in extreme temperatures

Our knowledgeable, experienced staff can help you design a product that fits your specific needs while saving you money.

Give us a call today to talk about your molding needs.
