GRIZZLY SUPPLIES

SEAL IT, MOVE IT

Introducing

Huskey Specialty Lubricants

As your authorized distributor of Huskey Specialty Lubricants, **Grizzly Supplies** offers a full line of specialty industrial lubricants. Whether you are in agriculture, food production, pharmaceuticals or industrial applications such as lumber, mining or petro chemical, Huskey Lubricants has what you need to ensure your equipment runs smoothly.

Choose from a selection of environmentally friendly and food grade lubricants as well as all-purpose cleaners and anti-seize industrial lubricants or speak with us about developing your own custom formula. Grizzly can team up with Huskey to work out a custom blend that will suit your unique needs.

Moving You Forward Since 1998

Huskey Specialty Lubricants offers:

- Biodegradable green alternatives and food grade products
- Products that can stand up to the test of extreme lubricating environments
- The option to develop your custom formula to specifically meet your needs
- Specialty greases and industrial lubricants for a wide variety of industries and applications
