GRIZZLY SUPPLIES

PRODUCT RANGE

SEAL IT, MOVE IT

Hydraulic & Pneumatic Seal Kits & Seals

At Grizzly Supplies, we specialize in high performance seal kits and sealing solutions for the mobile equipment market. We are an authorized dealer for SKF and Hallite Seals. We have thousands of replacement seal kits available.

Floating Face Seals

Grizzly Supplies carries a full line of premium quality SAP Face Seals. Whether it is a final drive on an excavator, a wet disc brake on a mining haul truck, or an axle on a forklift, we have the face seals you are looking for.

Bushings & Pin Wipers

Steel Hardened, Sintered, & Spherical Bushings

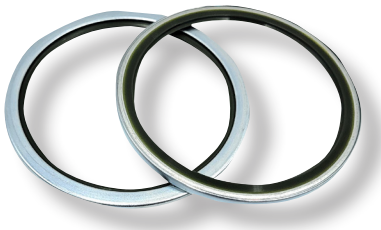
Grizzly Supplies designs and manufactures Tier One Steel Hardened, Sintered and Spherical Bushings for OEM/OES customers and repair facilities.

DU Bushings

Used as rod guides on a variety of inch and metric cylinders, these PTFE lined Steel DU® Bushings are stocked in many sizes.

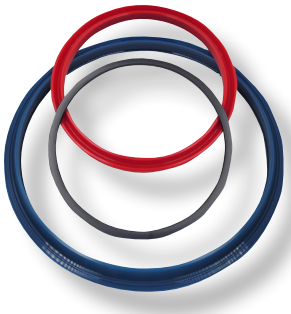
Pin Wipers

Stocked in metric and inch sizes, our premium line of pin wipers come in many of the seal kits we supply.



Machined Products

The Grizzly Supplies machine shop is equipped with lathes, milling machines, drill presses, CNC machine and two rubber molding presses. This allows us to custom make machined seals to your exact specifications. We offer a wide range of profiles and materials.



GRIZZLY SUPPLIES

PRODUCT RANGE

SEAL IT, MOVE IT

Oil Seals

Grizzly Supplies offers Tier One replacement oils seals in inch and metric sizes, in materials such as NBR, HNBR, and Flurocarbon. At work in every major industry oil seals or radial shaft seals reduce the likelihood of unexpected downtime.

O-Ring Kits

We carry O-Ring kits in both inch and metric sizes, and in a wide variety of materials and hardnesses. We also supply replacement kits for OEM O-Ring kits for brands such as CAT, Hitachi, John Deere, Komatsu and Volvo.

Seal Install Tools

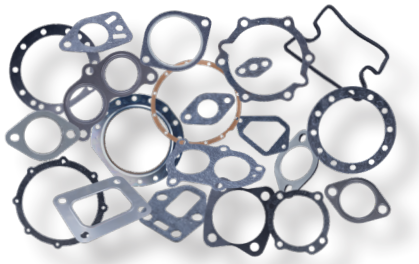
Grizzly Supplies stocks Seal Twistors for easy installation of Rod U-Cups; Seal Claspers for the installation of Piston Seals; and 8 piece O-Ring Pick Sets.

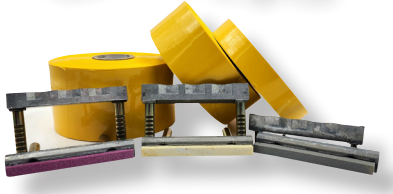
Molded Products

Grizzly Supplies can produce custom molded rubber products in large and small batches. From pharmaceutical to food service to industrial applications, ask us for a quote.

Stamped & Hand Cut Gaskets

Grizzly Supplies can produce stamped and hand cut gaskets, in both elastomeric and composite materials. We can reproduce your old gaskets or create custom gaskets in small and large batches for a variety of applications.



Honing Stones & PVC Tape


PVC Tape is for protecting surfaces that do not need to be chromed and is available from Grizzly Supplies. We also carry an extensive line of Honing Stones.
